

Now in our 5th decade!

The Guelph Wellington Men's Club

*"Where retired men socialize
and continue learning"*

Speakers are the highlight of each week's meeting. They come from a wide range of fields—science, technology, law, history, agriculture, the arts—plus personal career stories of members. Everything is focused to enhance the experience of learning and belonging.

We also offer:

Tours and lunches

Sporting events

Theatre visits

...and other social activities, all in a unique atmosphere of friendship and laughter!
